

Sentence Fluency Revision Exercise

Directions: Count the number of words in each sentence and write down the number below. Then, highlight the first three words of each sentence and write them down as well. The first one is done for you.

I have a dog. I have a brother and a sister, too. We live in a big house. I am in 4th grade. I go to school at Lincoln Elementary. We used to live in California where my mom used to work at a hospital that had a funny name I can't remember and we lived by the beach where we used to go swimming when it was warm enough. We used to wade in the big waves and look for little critters like to scurry around and burrow down in the sand quickly for you get a good look at them.
